

8

This school year marks our 8th school year at Francis Asbury Preschool! This past Sunday we shared with you in our first anniversary service! I am hopeful that we will continue to do participate at each Children's Sabbath. This past Sunday we were joined by many of our currently enrolled families as well as many of our past students! It was joyous for me to see how many students we have seen come through our doors flourish and grow into strong young children! Did you know our FIRST class of students will be off to Middle School next fall? That is amazing to me!

this wonderful event! We will be sending out invitations in the coming months. Be on the lookout for that as well!

Mission

During the month of November we are partnering with FAUMC to collect items to donate to Operation Christmas Child. Please utilize the pamphlet's available in the welcome center to send in acceptable items. As always thank you for your support of our missions!

Fundraiser = SUCCESS

We continue to offer many fundraisers at FAP to help us make our budget goals! Some things to be on the lookout for are

- Box tops! Clip those box tops and bring them into a designated box in the church!
- Farm Fresh purchases! Pick up a key fob, conveniently available in the preschool office! Anytime you make a purchase at Farm Fresh present the key fob to raise money for YOUR preschool!
- School Spirit Wear! We will be selling school spirit wear in the coming months! Be on the look out! 😊
- LulaRoe and DotDotSmile Sale! We are holding our annual LulaRoe sale on Nov. 16 and 17. Please check out our group page on the Francis Asbury Preschool facebook page OR you can speak with Ms. Anna to get more details!
- Art Show and Gala! This years art show and gala will be held on March 9th. Please reach out to Anna if you have any donations you would like to make towards
