

Left: Stephanie & Jodi

Right: Tamara & Karen

This year we were joined by 3 new fantastic staff members. These lovely ladies join us from all walks of life but one thing is the same... they all have a heart of gold!! I would like to introduce to you Ms. Tamara, Ms. Karen and Ms. Stephanie (who many of you already have the pleasure of knowing). Ms. Tamara and Ms. Karen are our dynamic duo in Pre-K. Between these 2 ladies there is over 60 years of classroom experience. They are a great balance! They work extremely hard to make every learning experience fun and exciting! Ms. Stephanie is our assistant in the 2-year-old class! Ms. Jodi and Ms. Stephanie work hard to make every activity creative and every interaction positive! They do a fantastic job with their energetic bunch! I consider myself extremely blessed to have been joined by these ladies! They round out our team of teachers perfectly!!

and Pastor Ed Martin. Thank you all for making this years feast the best one yet!

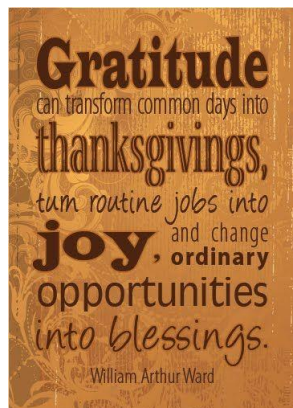

December is a magical month when working with God's young children! We get to see the sparkle in their eyes as we teach them the true meaning of Christmas and watch that belief come to light as they hear stories of Jesus's birth! Additionally, we explain to them the spirit of giving to others as God gave us His only son. We help them choose a special gift for their siblings, or mom and dad or perhaps a grandparent or two! It's very special to see how they go about selecting just the right gift! If you would like to take part in this day please let us know! We love having as many ELVES as possible! ☺

Thanksgivings

I always feel an abundance of thanks givings. But, this year I feel an overflowing of thanks givings. On November 21st we held our annual Thanksgiving feast. But, this year we will served a record number of 140 people! I am beyond grateful to the members of our preschool board that were able to assist this year, Trisha Mundell, Cathy Combs, Debbie Friend
